Who: YOU

Special Olympians Bill Stone, Jean Hollander, Tom Fessler, Robbie Knodle

Hamilton County Special Olympics invites you to come out and play golf with your foursome and perhaps even challenge one of our Special Olympians at one of the holes. This event is a major fundraiser for Hamilton County Special Olympics. Your round of golf will help keep our special needs athletes training and competing. It is a day of good fun, good friends and good food and drink and good golf on a great course.

Your day starts with registration, a box lunch provided by the Club chef, and a shot-gun start at 1:00 pm. Drinks, a wonderful dinner and awards along with a silent auction of sports memorabilia will follow. This is a fun day for you and a great day for the athletes that will benefit from your support.

In addition to supporting a great cause, EVERY golfer in your foursome will receive a \$175 credit to spend in the NIKE mobile pro-shop, which will be on site during the event! They will be able to select golf clubs, golf balls, clothing or shoes or many of the other items available. So sign up now and we look forward to seeing you in September.

I have enclosed the Sponsorship Levels and a registration form for your convenience. Our Special Olympians are up for the challenge. Please join us and keep our Special Olympians training and competing for another year.

Sincerely,

Vic Eilau
Golf Chairman
